Beauty ring from
Hyde Park Jewelers

LET US INTRODUCE *you to* DENVER'S JEWELRY EXPERTS

YOU'VE FOUND THE ONE, NOW IT'S TIME TO FIND THE RING.

Choosing the perfect diamond can be an extremely confusing process. Let us help you take the guesswork out of the equation so you can pick the ring that is a perfect representation of your love.

Within these pages, you will find a vast resource of talent. We have gathered some of Denver's top jewelers to provide specialized education and professional insight. We are proud to offer you this exclusive information in our first annual Guide to Popping the Question.

PICKING *the* SHAPE

FROM ROUND BRILLIANT TO THE STUNNING CUSHION CUT, A DIAMOND'S SHAPE IS THE FIRST ATTRIBUTE MOST RING ADMIRERS NOTICE. BUT DO YOU KNOW YOUR RADIANTS FROM YOUR ASSCHERS?

OSTER

Shape is the actual geometry of the diamond. The many different options include round brilliant, princess, emerald, Asscher, cushion, radiant, pear, oval, marquise, and heart. Shaped diamonds are most outstanding when cut to maximize the beauty of the stone. Each shape has unique characteristics that appeal to the individual, making this one of the most personal and significant decisions. No matter your preference, fancy shaped diamonds conjure romantic elegance and appeal to the innovative at heart. Play up her individuality to choose a shape that outwardly reflects her unique personality.

With a flair for the extravagant, Oster owners Jeremy and Melissa Oster know the beauty of a diamond is intrinsic to each distinct shape. The couple has cultivated a collection of premium cut diamonds—an asset that comes with working with some of the finest diamond cutters in the world. In the business for 12 years, the Osters have the expertise to point out the quality of each shaped diamond. According to these experts, even those with an untrained eye can plainly see the beauty of

a truly spectacular stone. A diamond should talk to you, say something unique, and shout distinction. Oster diamonds highlight the finest cut in every shape, specializing in GIA-certified stones with excellent proportions, polish, and symmetry. Shaped diamonds can be found anywhere in Denver, but Oster carries shaped stones cut to an exacting standard, making them the finest in the industry. A beautiful cut is key and customers will notice Oster diamonds catch the light creating maximum sparkle and brilliance.

Fancy shaped diamonds offer a beautiful age-old elegance that stand the test of time as a true luxury product. Peruse the glass cases and find the crème de la crème of shaped stones. Starbursts, cushion cuts, and Asschers add a distinct uniqueness to the traditional engagement ring. Oster escalates expectations with

top-of-the line customer service, in-house design, and superior custom work boasting the finest quality available. With more shaped diamonds to choose from, Oster Jewelers steps outside the box to present the most exquisite shapes for every preference and personality.
