

# Finding Your Ring Size

## Ring Scale

Place a ring that fits you or your intended recipient over a circle, making sure the inside of the ring lines up with the outside of the circle. If you are between sizes, order the larger size.

## Finger Width Scale

1. Find a piece of non-stretchy string about 6" long, or a strip of paper about 6" long and 1/4" wide.
  2. Wrap it snugly around the base of your finger.
  3. Using a pen, mark the point on the string or paper where it overlaps, forming a complete circle.
  4. Compare the length of the string or paper to the lines on the paper below to determine your ring size.
- If you are between sizes, order the larger size.
